Pareti divisorie attrezzate

Equipped partitions / Cloisons outillées

Sistema di pareti divisorie modulari, costituite da pannelli portattrezzi a foro quadro, o con asole, da applicare a colonne autoportanti. Le pareti possono essere monofacciali, con pannelli solo su una faccia, o bifacciali, con pannelli doppi su entrambe le facce.

Attenzione: per ottenere la stabilità delle pareti divisorie, le basi dei montanti vanno fissate a terra.

Modular partition system consisting of tool-holder panel with square hole to assemble to self-bearing poles. Walls can be mono-facial, with panel on one side only, or bi-facial, with double panels on both sides. Attention: to get the stability of the partitions, the bases of the poles must be fastened to the ground.

Système de cloisons modulaires composées par panneaux porte outillage à trou carré ou avec boutonnière à monter sur colonnes auto-portantes. Les cloisons peuvent être mono-faciales, avec panneaux seulement sur une face, ou bi-faciales, avec panneaux seulement sur les deux faces. Attention : pour avoir stabilité des cloisons, les bases des montants doivent être fixées à terre.

Pannelli portattrezzi / Tool-holder panels / Panneaux porte outillage

I pannelli portattrezzi sono accessori utili per il posto di lavoro. Costruiti in lamiera forata con foro Ø 4 mm per l'inserimento dei vari tipi di ganci portattrezzi. Presentiamo vari modelli, dai più semplici da collocare dietro il banco di lavoro, ai pensili con ante, a quelli su piedistallo.

Tool-holder panels are useful optional for work place. They are made of pierced sheet (hole 04 mm) for the insertion of various tool-holder hooks. We show different models, from the easiest to assemble on the back of the work bench, to the hanging ones with doors, to those on pedestal.

Les panneaux porte outillage sont accessoires utiles pour la place de travail. Ils sont fait de tôle percée – trou 0,4 mm – pour l'insertion de différents crochets porte outillage. Nous allons vous présenter des différents modèles, dès le plus simples, à monter arrière le établi, à ceux suspendus avec volets, à ceux sur piédestal.
